ENTRANT SIGNATURE: _____

SAIPR WINTER ONE LOFT RACE

SAIPR main race 2026 will take place on 7 August 2026.

The entrant may send 6 pigeons to the loft of which 5 will be entered for the Hot Spots. Three pigeons will be nominated for the final after the last Hot spot. The remaining 2 will be eligible for the Challenge Race. The amount payable for the team is 30 000 ZAR. Only 150 teams will be accepted at which time the loft will close. The pigeon must be rung with a 2025/2026 official ring. The intake will open 25 September 2025. A maximum of 3 teams per entrant. Quarantine costs for the entrant. International shippers will be identified and appointed.

It is the SA PRESTIGE INTERNATIONAL RACE'S commitment:

To provide a facility to house 750 racing pigeons in an acceptable Environment to allow for excellent racing conditions. Appoint a pigeon trainer with adequate experience and understanding of a single bird loft, in so doing securing excellent racing results. To provide staff to assist the loft manager, allowing the pigeons to perform in accordance to their ability. To ensure the health of all the pigeons at all times. The loft Manager and trainer will ensure that all the necessary vaccinations; and treatments will be given to the pigeons as and when required. Management will ensure that all the birds are trained adequately prior to their commencement of road training. The road training program will be announced and managed by the management team. The 4 hotspot races will be clearly identified and announced. The final race will be from approximately 580km and will take place, 7 August 2026. All entry fees will be paid into the SAIPR bank account as displayed, to ensure that all prize monies are guaranteed. SAIPR will be allowed to draw down of these entry fees for costs to host the event. Benzing Live will provide all the results of the training flights, hot spot races and the final race. The results and averages of all participants will be posted.

SECURITY TERMS AND CONDITIONS:

All entered pigeons will be handled with the highest possible security. All the bird's identities will immediately be concealed in such a manner, that no participating member or management will be able to physically, identify them. All the entered pigeons will receive an electronic ring, linked to its permanent ring, so that training and race results can be issued with ease.

CHALLENGE RACE:

All the Reserve Pigeons qualify for the Challenge Race. This is updated after the final Hot Spot. The Challenge Race entry fee is 5 000 ZAR per bird and based on how many pigeons are entered, the prize money is calculated and paid out.

POOLS:

All pigeons may be pooled for the Final Race. There are three prize positions: 67, 74, and 79. Prize money is distributed based on the number of pigeons pooled.

In **2025**, the following payouts applied:

- **Position 67:** ZAR 100,000
- **Position 74:** ZAR 50,000
- **Position 79:** ZAR 50,000

The following prize money is based on 120 teams should the loft reached its capacity of 150 teams the prize money will increase by 800 000 ZAR.

The loft is open for winter babies to be sent. Remember, six babies may be entered per team. Five will start the race series, and all five will compete for the Hot Spot Prizes. After the final Hot Spot, each entrant will select three pigeons to compete in the Final Race, while the remaining two will participate in the Challenge Race.
